H2O, Inc., ("H2O" or the "Company"), by and through the undersigned counsel, hereby
submits this Motion to Continue and in support of said Motion states as follows:

1. On October 1, 2007, H2O filed a rate application in the subject docket.
2. On July 30, 2008 the Hearing Division issued a Procedural Order establishing the
controlling dates in this matter. Those dates included a Hearing on March 9, 2009.
3. Counsel for the Applicant has a conflict in scheduling that week, and has discussed
alternative dates with counsel for Staff, after which dates for the Hearing and related filings were
agreed upon.
4. The alternative dates which are acceptable to the Applicant and Staff are as follows:
